**FEEDBACK ON CURRICULUM
ACTION TAKEN REPORT
2021-22**

The institution makes certain that the curriculum offered are in keeping with the demands of the time. A systematic procedure is followed to maintain the standard that is the hallmark of the College. The quality sustenance and quality enhancement measures undertaken are:

- Strict adherence to the guidelines issued by the regulatory authorities from time to time
- Gathering feedback from various stakeholders
- Discussing issues related to curriculum in the meetings of Heads of Departments and Academic Deans and sorting out such issues without delay
- Revisiting and revising the curriculum as per need
- Convening the meeting of various statutory bodies at regular intervals to facilitate the timely approval of revised/updated curricula.

The curricula of all programmes are revised once in three years to ensure relevance. This effort is materialized in the form of feedback that is collected from stakeholders with regard to the curriculum. The IQAC has evolved a formal mechanism to gather feedback on programme from all stakeholders. The Boards of Studies of all departments have renowned experts as external members and they provide feedback on the curriculum.

The steps adopted in the mandatory feedback process are:

- i) Consulting experts from other academic institutions, industries and alumni
- ii) Consulting the model curriculum proposed by UGC
- iii) Organizing workshops to prepare the draft curriculum.
- iv) Feedback from students, teachers, employers, parents and alumni is taken into account
- v) Reviewing and finalizing the draft syllabus in the Board of Studies consisting of the Institute faculty, external experts drawn from reputed academic Institutions, industries and alumni
- vi) Seeking the Academic Council's and the Board of Management's approval of the curriculum.

Keeping in mind the latest developments in the subjects, industry requirements and the societal needs, the Feedback Committee devised structured questionnaires where formal feedback on the curriculum are obtained from various stakeholders. The Departments take feedback on class room experience from students on various aspects of curriculum offered to them. Feedback is obtained from the Alumni and Parents during formal meetings. Employers and teachers feedback is collected online.
