Report of Interactive Session

Incubation committee of Loknete Gopinathji Munde Arts, Commerce & Science College, Mandgad has organized Interactive session on **Journalistic Opoortunities**. Shri Dayanad M. Kambale was the resource person for it. In his address he explained an importance of journalism in democracy. Though it may be interesting or even entertaining, the foremost value of news is as a utility to empower the informed. The purpose of journalism is thus to provide citizens with the information they need to make the best possible decisions about their lives, their communities, their societies, and their governments. The media has given political parties the tools to reach large numbers of people and inform them on key issues ranging from policies to elections. The media can be seen as an enabler for democracy; having better-educated voters would lead to a more legitimate government. He also informed the basic qualification such as graduation in any degree, interest in the journalism, sense of investigation, social bondage and commitment towards society as a responsible citizen in his address.
