## REPORT OF INTERACTIVE SESSION

On

### "Opportunities after graduation"

The science faculty organized one session on "**Opportunities after graduation**" dated on 10<sup>th</sup> Jan. 2019 for all science (B.Sc.) students. For this session, **Mr. Hiragond Anil** Dept. of Chemistry, Khare Dhare Bhosale College, Guhagar was the main speaker. In his one and half hour speech he acknowledged the students about the present scenario of the service sector and the competition in every field. According to course studied by students he discussed in detail scope of each subject and how to make our self update to achieve the jobs in that particular field. He extended his speech focussing on the various websites and how to apply and prepared for interviews. From an industry point of view, there is a lot of competition and we must be equipped with multiple skills. Besides the jobs students can also develop their own business like nursery development, in Horticulture field and even can have opportunities in landscape designing. The session was interactive and students actively asked their queries and got satisfied answers by the speaker. The session was useful for all the students and they enjoy same.

## Outcome of Activity

The lecture organized by Science department on the topic "**Opportunities after graduation**" was **fruitful as students** became aware of scope of their subject and different opportunities in the field of Science including government and private sectors. Students aware about jobs in various industries on the basis of their degree. They also understood how to use our knowledge developing skills. Science is vast subject. Application of subject knowledge in various fields is necessary for the development and progress of nation. Student inspired to develop their skills to give job to others also.
