Report of Guest Lecture On

"Effect of Radiations on Human Health"

The Dept. of Physics organized a guest lecture on "Effect of Radiations on Human Health" for all students on 15/01/2019 at 2.00 pm in the seminar hall. Mr. Vikas Shinde (Asst. Prof. Physics) delivered this guest lecture. Firstly he talked about the different types of radiations and their sources. Then he explained how the human body exposed to the harmful radiations directly or indirectly. He also said, in our day to day life we are taken the certain amount of doses of various types of radiations. Finally he told that how we taken care from exposure of these radiations and saved our life from these harmful radiations. This lecture arranged with the help and advice of the Hon. Vice Principal Dr. Parhar sir. Total 29 students were present for this guest lecture. Finally, by delivering the vote of thanks from Mr. Suraj Bulakhe (Asst. Prof. Physics) this program over. This guest lecture was useful for these students in respect of their health and they learn how to protect themselves from these harmful radiations.
