Report of Workshop of Team Building

Department of English of Loknete Gopinathji Munde Arts, Commerce & Science College, Mandgad has organized Guest lecture on ***Team Building*** Prof. Subhash R. Kadam was the resource person for it. In his address he told team building is essential for communication and social skills in concern with such as active listening and effective speaking. When working as a team, students learn how to listen to their leaders in order to perform their individual roles. Students learn how to listen to one another in order to function as a cohesive unit. Teamwork teaches students how to respectfully and confidently express their ideas and opinions effectively in a group setting. Team work plays a vital part to make the performance of an organization efficient and successful. Teamwork needed participation of every single person who is a part of that specific team. Forming a good team is not an easy task. It requires a lot of intellectual ability. And once a team is formed than it is necessary to guide your team mates and try to keep them together in order to achieve your specific goal. Goal can only be achieved from good team work, which is not possible until and unless there is a bonding in the team mates and they don't realize their duties regarding to their work. Best team work can be done by making a best team and making your team best is not an easy task.
