Ms. Sneha Sapte, the clerk of Mandangad Nagar Panchayat guided how to use the machine the girl students. At this time, Mrs. Snehal Mandhare, the Vice President of Mandangad Nagar Panchayat said "society needs to change the attitude towards women. In modern age of science, the initiative of youth in the progress of education is commendable. Today, women are able to take a step forward only because of education"

Krantijyoti Savitribai Phule's birth ceremony was celebrated by remembering her work toward women.

A workshop on 'Gender Equality Awareness' was organized by the Women's Development Cell on 12 January 2020. Social Activist Sunita Gandhi from Chiplun was Keynote Speaker of this programme. Dr. Ram Deore, the in-charge principal of the college, was president of programme.

The event was organized in two sessions. In the first session of the program, Sunita Gandhi interacted with all the boy & girl students of the college on the topic of Gender Equality and Need for Social Creation. At this time, the difference between sex and gender was clarified. Gender is socially generated while sex is a natural or biological truth. Gender is created through rituals. The secondary position of women is rooted in this rite. Unwritten rules are made about how men and women should behave. By the society is inculcated that the boy is the beacon of the family & the girl is the consumable object. such an image is created from infancy. Therefore, girls and boys should be treated equally from infancy and given equal opportunities.
