Subject: Upgradation of VB Software to New Web Based Technology Software

Dear Sir / Madam,

It is been our pleasure to have you as our esteemed clients. We have been providing you service support for past several years.

You are using our software developed in VB technology. Unfortunately the support for VB technology has been stopped by Microsoft company several years back. Even though the support from Microsoft company had stopped, still we have tried our best to provide you service support for past years. However we are now having limitations in supporting the old technology like the new Operating system does not allow the old software to be installed, etc

To overcome this, we have an upgraded version of this VB technology software developed in latest Web based technology. We humbly request you to kindly get the new upgraded version software and get uninterrupted service support.

As a part of our Long Term Relationship and Customer Support, we would somehow try to provide support the old technology maximum for next 45 days. Failure to upgrade the software before 28 Feb 2022, we would not be able to provide support to old software. If any Database gets corrupted or any problem occurred in using the old software, we would not be able to recover it and provide any support.

We are offering special loyalty discount of 20% especially for you if you get the software upgrade within next 45 days i.e. maximum before 28 Feb 2022. After 28th Feb 2022 the special loyalty discount will not be available on the quoted upgraded price.

Hence we humbly request you to get in touch with our Customer Relationship Management and get the upgraded software at the earliest.
