Mrs. Mahandre madam in her speech said that in a society, everyone has the right to lead his/her life accordingly without any discrimination. When this state is achieved where all individuals are considered to be equal irrespective of their caste, gender, colour, profession, and status, we call it equality. Students highly motivated from her speech. In presidential speech Mr. Sudam Shinde told that every individual of society dreams for equal rights and access to resources available at their disposal, but there is a lot of discrimination. The most prevalent discrimination is gender inequality. Gender equality can only be achieved when both male and female individuals are treated similarly.
