Report of Lecturer

Topic: Gender Discrimination

Department of Zoology of Loknete Gopinathji Munde Arts, Commerce & Science College, Mandangad has organized lecture on The Topic: Gender Discrimination. There are 46 Participants were presented in the workshop. Dr. Popat Bhosle was the resource person for it. The programme was started with plenary talk of Dr. Bhaissare. He told in his plenary talk about the need of this programmed and welcome of speakers, Principal and students. Dr. Bhosle started his lecture in given topic. In his lecture he explained discrimination based on gender or sex is a common civil rights violation that takes many forms, including sexual harassment, pregnancy discrimination and unequal pay for women who do the same job as men. Gender discrimination also found in employment and education. Gender discrimination we also learnt in Genetics of S.Y. B.Sc. Zoology Syllabus. He also explained further as per 2011 census data, effective literacy rates were 82.1% for men and 65.4% for women. Parents are unwilling to spend on girls' education because educating women is of no value as they will only serve their husbands and in-laws in the future. The Indian constitution provides equal rights and privileges for both men and women, but most women across India don't enjoy these rights.

At the End of the programme some students asked the questions to Dr. Bhosle and this session was very interactive. In last of the programmed, Miss Mayuri Gowale Put vote of thanks of all and declared end of the Programme.
