

Policy Document on Green Campus Initiative

Preamble:

A Green Campus is a place where environmentally friendly practices and education combine to promote sustainable and eco-friendly practices on the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to the environmental, social, and economic needs of mankind.

Applies to:

Faculty, staff, students, and visitors.

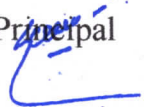

Objectives:

1. Organize Awareness Programs for the students, faculty, and society
2. Establish a Green Campus Environmental Ethic Awareness campaign.
3. To sensitize the students and the staff to minimize the use of polluting products and use environment-friendly products and services
4. To make students and staff aware of raising voices against the hazardous practices destroying Nature and promote environment-friendly practices among the society.
5. To undertake a tree plantation drive.

As per the Clean and Green Policy, our college strives to plant various types of ornamental and medicinal varieties and wild plant species of trees in large numbers within and outside the campus. Gardeners and full-time adequate support staff have been appointed for the maintenance of gardens and keeping the campus litter-free, clean, and Green Campus. The College N.S.S. Garden, Medico-Botanical Park etc. maintained by the Department of Botany. The tree-plantation drives are undertaken by the N.S.S. Unit of the college and by the Departments of Botany on a regular basis generally in the month of July every year.
