

Policy Document on Solid waste management

Preamble:

Our college is committed to transforming lives and serving society through the pursuit of excellence in teaching, innovation, lifelong learning, cultural enrichment, and outreach services. Institute came into existence in 1996, with the objective to promote higher education and research in the fields of Arts, Commerce and Science. The College has a duty to ensure that all the campus wastes are disposed of responsibly by using proper waste segregation mechanisms at the source and if possible, converting it into value-added environment-friendly products.

Applies to:

Faculty, staff, students, and visitors.

Objectives:

1. Two-way segregation of waste at source on Campus.
2. Practice the 4 R's Reduce, Reuse, Recycle, and Reuse whenever possible.
3. Garden waste and leaf litters from ground collect and utilise to prepare Vermicompost.
4. Prefer using bags made of Eco-friendly material.
5. To minimize waste generation at source and facilitate repair, reuse, and recycling over the disposal of wastes in a cost-effective manner.
6. To invest in the expansion of recycling opportunities on the College campus and transform waste into value-added products.
7. To ensure the safe handling and storage of waste on the College campus.
8. To provide appropriate training for teachers, residents, staff, students, and other stakeholders on waste management issues.
9. To promote a holistic approach to waste management in the campus.
