Brief Report of the Activity **(Career and Comp. Exam. Guidance Center)**

The Students were much more benefited from the programme arranged on "Introduction of Competitive exams" by Dr. B. S. Solapure.

He focused on various types of competitive exams which are useful to students studying in under graduation classes. The lecture was based on interactive; so many students were asked their doubts freely. The activity was mainly arranged for students from weaker sections, but many other students were also attended.
